SPEAKER
SAM
RAYBURN
— Texas

"Speaker Sam" Rose
Dedicated to Beloved
Texas Congressman

The late, great Sam Rayburn of Bonham, Texas, served his nation more than twice as long as any Speaker of the House of Representatives in the history of the United States.

Newest Hybrid tea Speaker Sam promises parallel endearing qualities to rose gardeners.

Memory of the selfless service of the Statesman will, perhaps, live a little longer thru the wide dissemination of prize roses of Speaker Sam label.

NEW H. T. ROSE *Speaker Sam* (Pat. 2053)

Among the millions of Peace roses grown in this country since 1945 one strikingly different sport was discovered in the sandy rose growing fields of Arp Nursery Company.

Carrying same dark leathery foliage and strong thick stem as the most popular rose Peace, this newest for '62 Arp bush bears immense very pale yellow-centered flowers, most remarkable for vividly banded red edge of each heavy petal.

A spectacular individual corsage flower, and a giant rose pageant in home table arrangement. Changeable with the seasons, light and bright, sturdy and compact, long lasting even in adverse weather. EACH \$3.00, 3 for \$7.95, postpaid.
